25X1

The former Strategic Forces Division and Theater Forces Division were disestablished. In their place a Soviet and East European Forces Division was created, consisting of a realignment of the personnel and responsibilities into the following four new Branches:

Strategic Attack
Strategic Defense
Land Warfare
Naval Operations

25X1

 is designated Chief of the Soviet and East European Forces Division.  is Deputy Division Chief.

25X1

OBGI

25X1

On 1 April 1970, the Cartography Division, OBGI, reorganized its compilation research effort. Its four regional branches were consolidated into one branch, the Cartographic Research Branch, headed by  with  as Deputy Chief.

25X1

The former separate detailed NIS sections on sociological aspects of a given society have been replaced by a consolidated section entitled "Social Characteristics". This new section treats population patterns, ethnic groups, education, social and religious organization, living conditions, labor, and social welfare arrangements in an integrated overall analysis. The first of these sections has been published on Colombia.
